

**3rd Annual Run** for a Soldier is project to honor our deployed service men and women at the Beach to Bay Relay Marathon. We are currently looking for names of deployed men and women, units and individuals that will be serving during Beach to Bay (May 21, 2011).

**The program is very simple:**

**we match a soldier's name with a registered B2B team.**

Each member of the B2B team will wear a US Flag wrist band and the 4th runner (the NAS-CC base leg) will wear the name of the soldier on their bib. That's all there is to it. Your team can send a team picture to their honored soldier along with a message.

If you know of a unit and or individual serving in the military that would like to be apart of this project and or if your team would be interested in running on honor of a soldier, please send the information to:

Julie McAllister [julie.crunner@gmail.com](mailto:julie.crunner@gmail.com)

or mail: 318 International Drive, Corpus Christi, TX 78406

A contact email, name, unit and where they are serving ( if possible) for the soldier.

(Some military units and soldiers sent pictures last year.)

A contact name, team name and email for your B2B team that is interested in participating.

NOTE: please wait until your team in registered before sending your team info.
